Re: **KINSEY, Bobby Brandon**
Docket No. 4:08CR00226-001
Response to Request for Early Termination from Supervised Release

On December 10, 2009, Bobby Kinsey was sentenced by U.S. District Judge Richard A. Schell, to 120 months imprisonment (Count 1-60 months; Count 2-60 months consecutive to Count 1), followed by a 5-year term of supervised release (Count 1, 5 years; Count 2, 5 years to run concurrently to Count 1), upon pleading guilty to the offenses of Conspiracy to Distribute and Possess with Intent to Manufacture Distribute and Dispense Methamphetamine and Marijuana-21 U.S.C. § 846- Count 1; and Possession of a Firearm in Furtherance of a Drug Trafficking Crime -18 U.S.C. § 924(c)-Count 2. Said term of supervised release is subject to the mandatory and standard conditions of supervision plus special conditions to include: financial disclosure, drug testing and treatment, \$200 special assessment, and a 10-year period of federal benefits ineligibility. On November 24, 2015, this case was reassigned to Your Honor. On November 14, 2018, Mr. Kinsey commenced the term of supervision in the Eastern District of Texas-Plano.

Mr. Kinsey has petitioned the Court for early termination from supervised release. Mr. Kinsey has maintained stable residence and employment since commencing the term of supervised release. His last urinalysis submitted on July 8, 2021, produced negative results, other than his verified prescription medication. A criminal history report run on July 8, 2021, reflected no new substantiated criminal activity since commencing supervision. A recommendation from the Government as relayed by Assistant U.S. Attorney Ernest Gonzalez reflects that there is no objection to this request.

Should Your Honor wish to grant the request for early termination from supervised release, please find the attached PROB 35, *Report and Order Terminating Supervision Prior to the Original Expiration Date*. Should Your Honor have any questions, please contact me at (469) 304-4943.

Sincerely,

Simone Norman
